### Mailbox nameplates:

**The board in Stensberggaten 10-14 Boligsameie wishes to contribute to a good living environment where the building and common areas look orderly. One way to achieve this is by ensuring that nameplates on mailboxes are uniform and in accordance with the condominium house rules. The relevant clause reads as follows:**

#### § 5. Signage/Keys

Nameplates on the door phone panel and mailboxes are ordered from the board and paid by the individual resident. When renting the flat, the unit owner is obliged to ensure that the signage is always updated. Any signage other than that on the individual's front door has to be approved by the board in advance.

The provider of keys and mailbox nameplates is Key West AS.
